Cheaper and more flexible scheduling.	• 50-minute 1-on-1 sessions with the athlete and Sabrina • More in-depth personal reflection • Usually covers the same concepts as the online modules, but explored more slowly with Sabrina guiding them through each step. <u>Pricing</u> • 50-Minute Session: \$90 • Pay-as-you-go, no commitment • Weekly Total: \$90 Why Choose This: Ideal for athletes who have more deeply rooted things to work on. For those who need more one-on-one conversations.
